

Beacon Falls Congregational Church is Participating in the
Corporate Drop Donation Program!

This month, we will be hosting a *My Sister's Place (MSP)* donation bin. *MSP* collects donations of new and gently used clothing and household items (see guidelines below). These items are sold at *MSP*, with all net proceeds benefiting the **Center for Domestic Violence Services (CDVS)**.

The CDVS provides essential services to nearly 10,000 domestic violence victims and their children annually. *MSP* provides over \$140,000 in annual funding to the CDVS from the sale of donated merchandise. With your donation, you join forces with other advocates in the fight against domestic violence. Thanks for your support!

The following donations are welcomed:

- Women's, Children's & Men's Clothing
- Footware (including boots and sneakers)
